WM. J. HIRSCH SHORTHORN REDUCTION SALE

MONDAY, MAY 19th — PARKVILLE, MISSOURI

Sale to be held at the Yerington Farm located 11 miles north of Kansas City, Missouri, on U. S. Highway No. 71, or four miles north of Parkville, Missouri — 1:00 P.M.

## SELLING

*12 BULLS, including one proven three year old herd sire, Keystone Goldfinder 25th.*

*40 FEMALES, including 19 cows with calves at foot, 7 bred heifers and 14 open heifers.*

WITTER & YERINGTON are dispersing their entire herd due to shortage of help on the farm and Kansas City business interests. Selling will be their three year old herd sire, Keystone Goldfinder 25th, sired by a half brother to the \$7,000 Supreme Goldfinder. Four junior yearling bulls all sired by Keystone Goldfinder 25th — 15 cows with calves at foot including daughters of Sni-A-Bar Air Lord, Roanridge Mercury 3d, Goldfinder Orator, Westmoreland Supreme and Keystone Commander. Calves at foot include an outstanding heifer calf by Sunset Bounce 26th, another by Calrossie Supreme. These cows are all big, thick, deep bodied, rapid producing individuals and include the entire Joseph Duncan & Sons herd from Cameron, Missouri, that were purchased two years ago.

WM. J. HIRSCH, Parkville, Missouri, is making a major herd reduction in this sale and he offers seven bulls, all junior and senior yearlings, ready for heavy herd service including two sons of Mercury Upright by the \$63,000 Perth champion, Pittodrie Upright. Four young cows with calves at foot by HVF Centurion, a son of Highland View's Sni-A-Bar Air Lord, top selling Sni-A-Bar Farms sale bull. 7 bred heifers and 7 open heifers, all of close up Sni-A-Bar Farms, W. A. Cochel, Bellows Bros., and D. T. Torrens breeding.

Here is a real opportunity to buy the right kind of Shorthorns that are well bred — of good ages and that will make money in their new owners' hands because they are either in production or ready to produce.

Everything sells T.B. and Bangs tested and all the younger females are officially vaccinated for Bangs.

**SHORTHORNS WITH RUGGEDNESS, SUBSTANCE AND WEIGHT FOR AGE** – ability to gain and convert grain and roughage into high quality beef is of utmost importance in the beef cattle business. Properly correlated with other important factors essential in herd bull and brood cow selection, it becomes extremely important in building into a herd the ability to make rapid gains on feed — one of the principal things the beef cattle business is about.

U.S.D.A. studies conducted over a period of many years, indicate this factor to be 85% hereditary.

In this sale you are being offered the kind of Shorthorn cattle that have the characteristics to make rapid daily gains, so be sure to look “this weigh” on May 19th.

# SHORTHORN DISPERSION SALE

## REDUCTION

**SUNSET BOUNCE 26th** — *This son of Cruggleton Bounce was purchased by W. A. Cochel as a top selling bull in the 1950 Elcona-Hansen Heights Sale. He is a half brother to the 1952 Denver and Ft. Worth grand champion bull. He is the sire of the outstanding heifer calf that sells at foot of Lot 6.*

**PRINCE PETER** — *This \$5,000 son of the Perth champion, Calrossie Prince Peter, is the grandsire of Lot 10.*

# *Please Bring This Catalog With You On May 19th*

**DO YOU WANT TO BUY SOME MONEY-MAKING CATTLE? . . .**

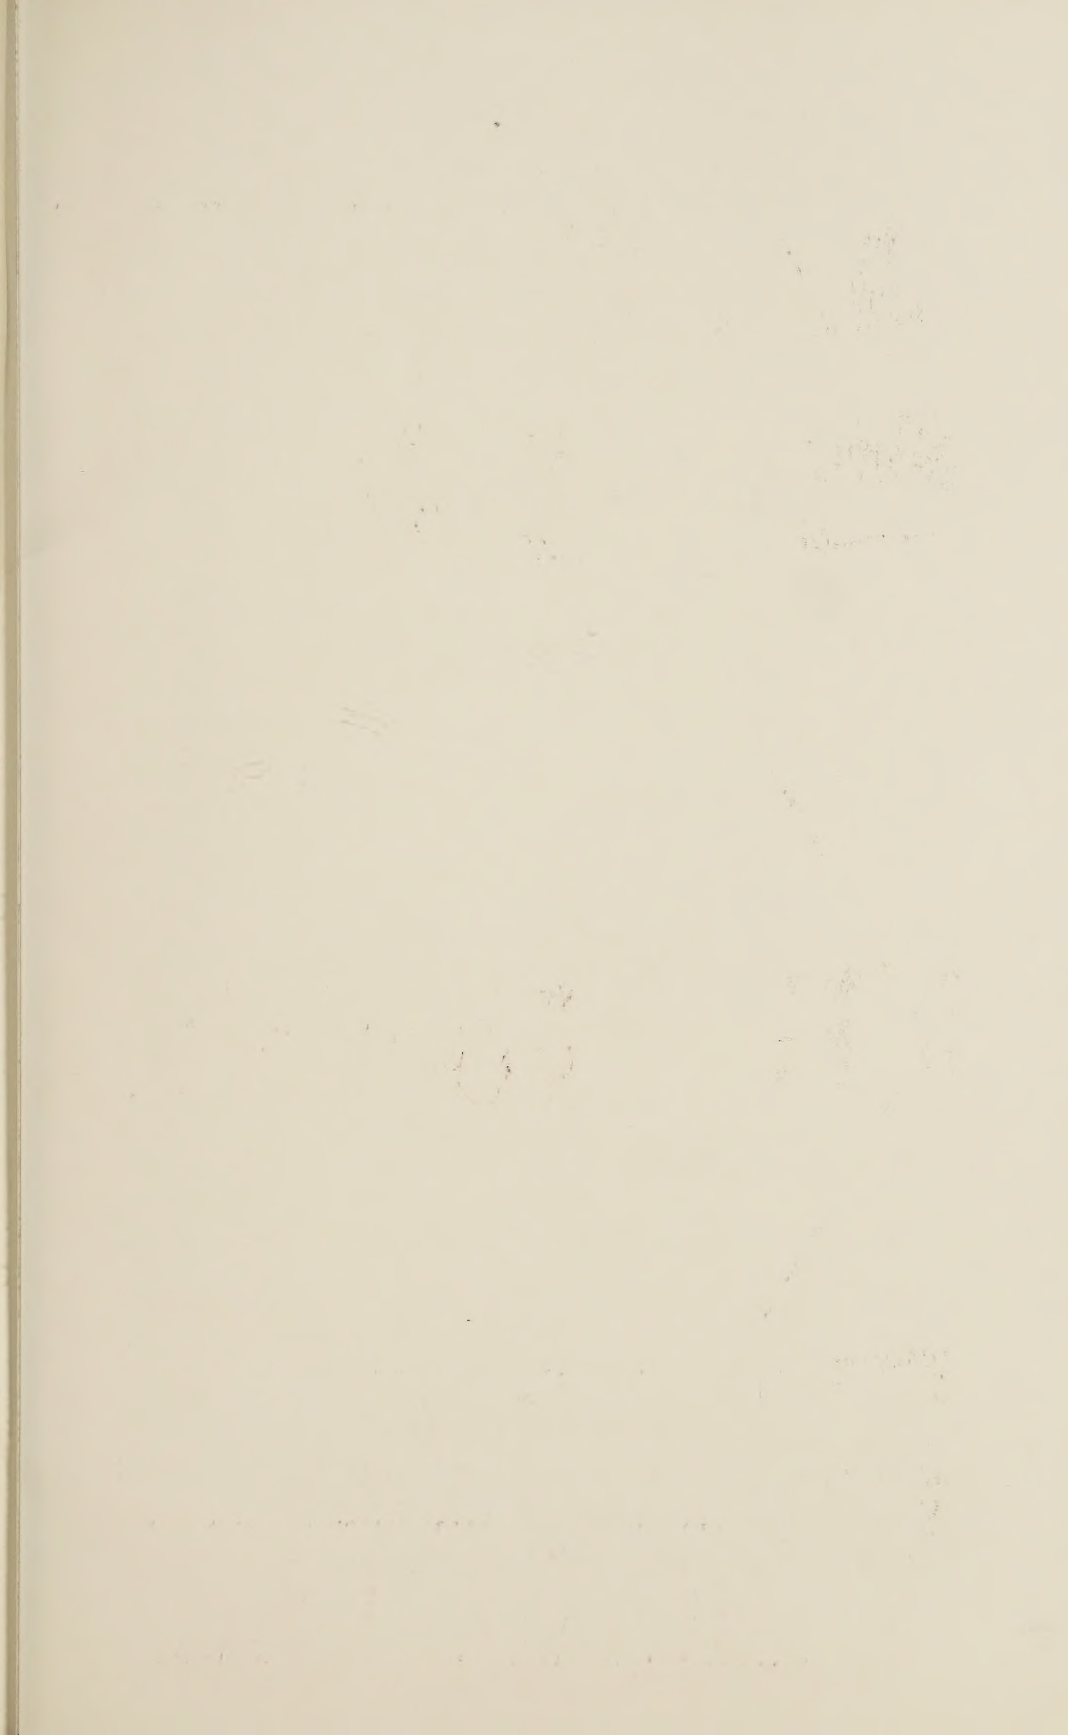

Then look this "weigh" please. One quite often has the opportunity of coming in contact with small herds of amazingly good quality Shorthorn cattle — herds that haven't become too well known because their owners have been busily engaged in building up their size in a steady, but quiet, unassuming manner.

The WITTER-YERINGTON and WM. J. HIRSCH herds are just two such examples and I would like to impress anyone who can use some good Shorthorn cattle with the importance of taking advantage of the buying opportunities offered in this sale. The cattle are not highly fitted but they have the basic fundamental that will make them real beef-makers and profit-makers for their new owners.

I have had the privilege of checking this offering carefully and if anyone has any question, just drop me a line and I will try to give you a few more details concerning each lot selling.

**MERVIN F. AEGERTER, Sale Manager**

*One new International Harvester No. 10 feed grinder with traveling cable and belt will be sold immediately following the cattle sale.*
